Annual Stallion Service Report for Current Year _____ *(Reporting Year)*

This report is due by December 30 of the current breeding year and considered past due after January 15th. Please use one form for each Caspian Stallion to report all breeding information for the year. This report is required for each Stallion even if he was not bred, in that case file with notation "No Mares Bred". Failure to submit this form can delay and effect the registration of the resulting foals. There is no fee for reports received before Jan 1. A fee of $10.00 is due for each Stallion Service Report received after Jan 15. If stallion is leased: a current lease agreement must have been previously submitted to the CHSA, print the names of both the owner and lessee, list the dates of lease, the lessee may file and sign the report.

1. List the full registered name and registration number of each mare exposed to the stallion from January 1 to December 31. This list shall include all mares serviced; whether owned by the stallion owner or owned by other parties. The owner of the stallion should require a copy of each mare's registration certificate in order to verify the correct identity and information on the mare. It is also the stallion owners responsibility to verify that the person contracting for breeding is the current recorded owner listed on the mare's Registration.
2. Give exact dates of service; if more than one exposure, list all dates. If pasture bred give date mare was turned out and date removed from pasture. If artificial insemination is used, note the dates and be familiar with the current CHSA and ICS rules on artificial insemination. List all exposures to mares including unintentional exposures.
3. List type of breeding: HB-Hand Bred, PB-Pasture Bred, AI-Artificial insemination. Note: When a mare has been bred or exposed to one stallion, at least (20) twenty days must elapse before exposing the mare to a different stallion. Upon the death of a breeding stallion, the Annual Report showing the mares serviced is due within 30 days.

NAME OF STALLION_____REG #_____ *REQUIRED* STALLION LICENSE # _____
